

• MOONX •™

RED WINE BLEND | CALIFORNIA

This juicy, super dense wine is inspired by the onyx blackness of a New Moon – a lunar phase occurring when the Sun, Earth and the Moon are all aligned.

Loaded with intense flavors of blackberries, black cherry and dark chocolate, MOONX is the perfect wine to enjoy with roasted meats, barbequed anything, chocolates or just by itself.

- Varietal:** Red Wine Blend
Appellation: California
Alcohol: 13.5% by Vol.
RS: 0.81g/100mL
